Please be advised that food prepared at Jim 'N Nick's may contain these ingredients: MILK, EGGS, WHEAT, SOYBEAN, PEANUTS, TREE NUTS, FISH and SHELLFISH, as well as less common food allergens. Jim 'N Nick's takes precautions in an attempt to identify ingredients that may cause allergic reactions so our guests with food allergies can make informed food selections. Despite taking precautions, normal kitchen operations may involve shared cooking areas, (including but not limited to foods cooked in common oil and/or on common grills) food preparation areas and utensils, and the possibility exists for your food items to come in contact with other food products, including allergens. Jim 'N Nick's relies upon its suppliers to provide accurate allergen information for products used as ingredients in menu items. Jim 'N Nick's menu items are prepared fresh each day in our kitchens, and there is always

a risk of cross-contact with other allergens. Jim 'N Nick's cannot eliminate the risk of cross-contact or guarantee that any menu item is free of any allergen. Jim 'N Nick's, its franchisees and employees do not assume responsibility for a particular allergy or sensitivity to any food provided in our restaurants. For more information concerning a particular menu item or ingredient, please ask the restaurant manager. According to the FDA, highly refined oils such as highly refined soybean are not considered major food allergens and therefore are not listed here.

If you have an allergy, food sensitivity or special dietary need, we recommend that you consult with your physician prior to making a decision about whether or not to eat any Jim 'N Nick's product.
