JIM'N NICK'S
COMMUNITY
BAR-B-Q

OUR STORY

It all began in 1985 in a reclaimed old pizza restaurant on Clairmont Avenue in Birmingham, AL. The formula was simple. Celebrate the heritage of revered bar-b-q masters, cut no corners on the menu, and serve the whole community like family.

That philosophy allowed us to create something special. An authentic bar-b-q restaurant with chefs and pitmasters. A nod to our past recipes, with eyes towards the future. Sit down dining on one hand, and a drive-through on the other. 12 hours slow-smoked pork and beef, but served really fast. A celebration of Alabama, but a reverence for the bar-b-q tradition across the South.

It's the kind of place that only happens when you don't follow the crowd, but instead follow your heart, trust your gut, and choose to do things the hard way.

Today, Jim 'N Nick's has become an icon of the bar-b-q community. One bite and you'll understand why, there's only one Jim 'N Nick's.

"NO FREEZERS. NO MICROWAVES."
